CITY COUNCIL MEETING
JANUARY 9, 2017

Question from Alderman Dave Sage: 8B

For agenda item 8B, CDBG, what is the recommended \$40K for Parks and Rec., which appears to be referenced on page 195.

City Staff Response:

The \$40,000 in Tier 1 Funding and \$35,000 in Tier 2 Funding is for park completion in the Woodbury Subdivision. Parks and Rec has budgeted an additional \$25,000 for FY18. This park is part of an annexation agreement from 2003/2004.
