

# Bloomington Police Bi-Weekly Crime Map Instructions

This map is intended to show the relative locations of reports taken by the Bloomington Police Department every 2 weeks. The following offenses, called Part 1 Index Crimes, and drug offenses will be mapped:

<b>Homicide</b>		<b>Motor Vehicle Theft</b>	
<b>Robbery</b>		<b>Arson</b>	
<b>Assault/Battery</b>		<b>Cannabis</b>	
<b>Burglary</b>		<b>Narcotics</b>	
<b>Theft</b>			

Criminal Sexual Assaults will not be mapped out of respect for victim confidentiality.

Please note that not all offenses can be mapped for various reasons.

You must have an Adobe Reader installed on your computer to view these files.

Maps will be lagged by 1 month. For example, data from December 1 to 15, 2007 will be posted around January 15, 2008.

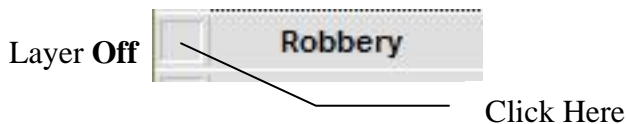

## How to navigate the map:

The map opens up and the icons representing the offense locations are very small. This is intentional and the size of the icons will increase as you zoom in.

To zoom in and out, click on the and/or zoom buttons.

To move around the map, use the hand tool.

Offenses can be turned on and off at any time. Click on the eyeball looking icon next to the offense or layer you wish see. **NOTE! *Offenses are set to OFF when you open the map. You will need to turn each offense layer ON to see the icons!***

Patrol Areas can be turned off to reveal the corresponding City Wards.

If you have any questions regarding use of the map or need more information on the offenses shown, please contact the BPD Public Affairs Unit at 434-2355 or e-mail [police@cityblm.org](mailto:police@cityblm.org).
