

# 2010 Recycle Collection Map

1) Locate your residence on the map.

2) Determine which day of the week your garbage and recycle products are collected. Both are collected on the same day of the week. However, garbage is collected weekly and recycle collection is every other week.

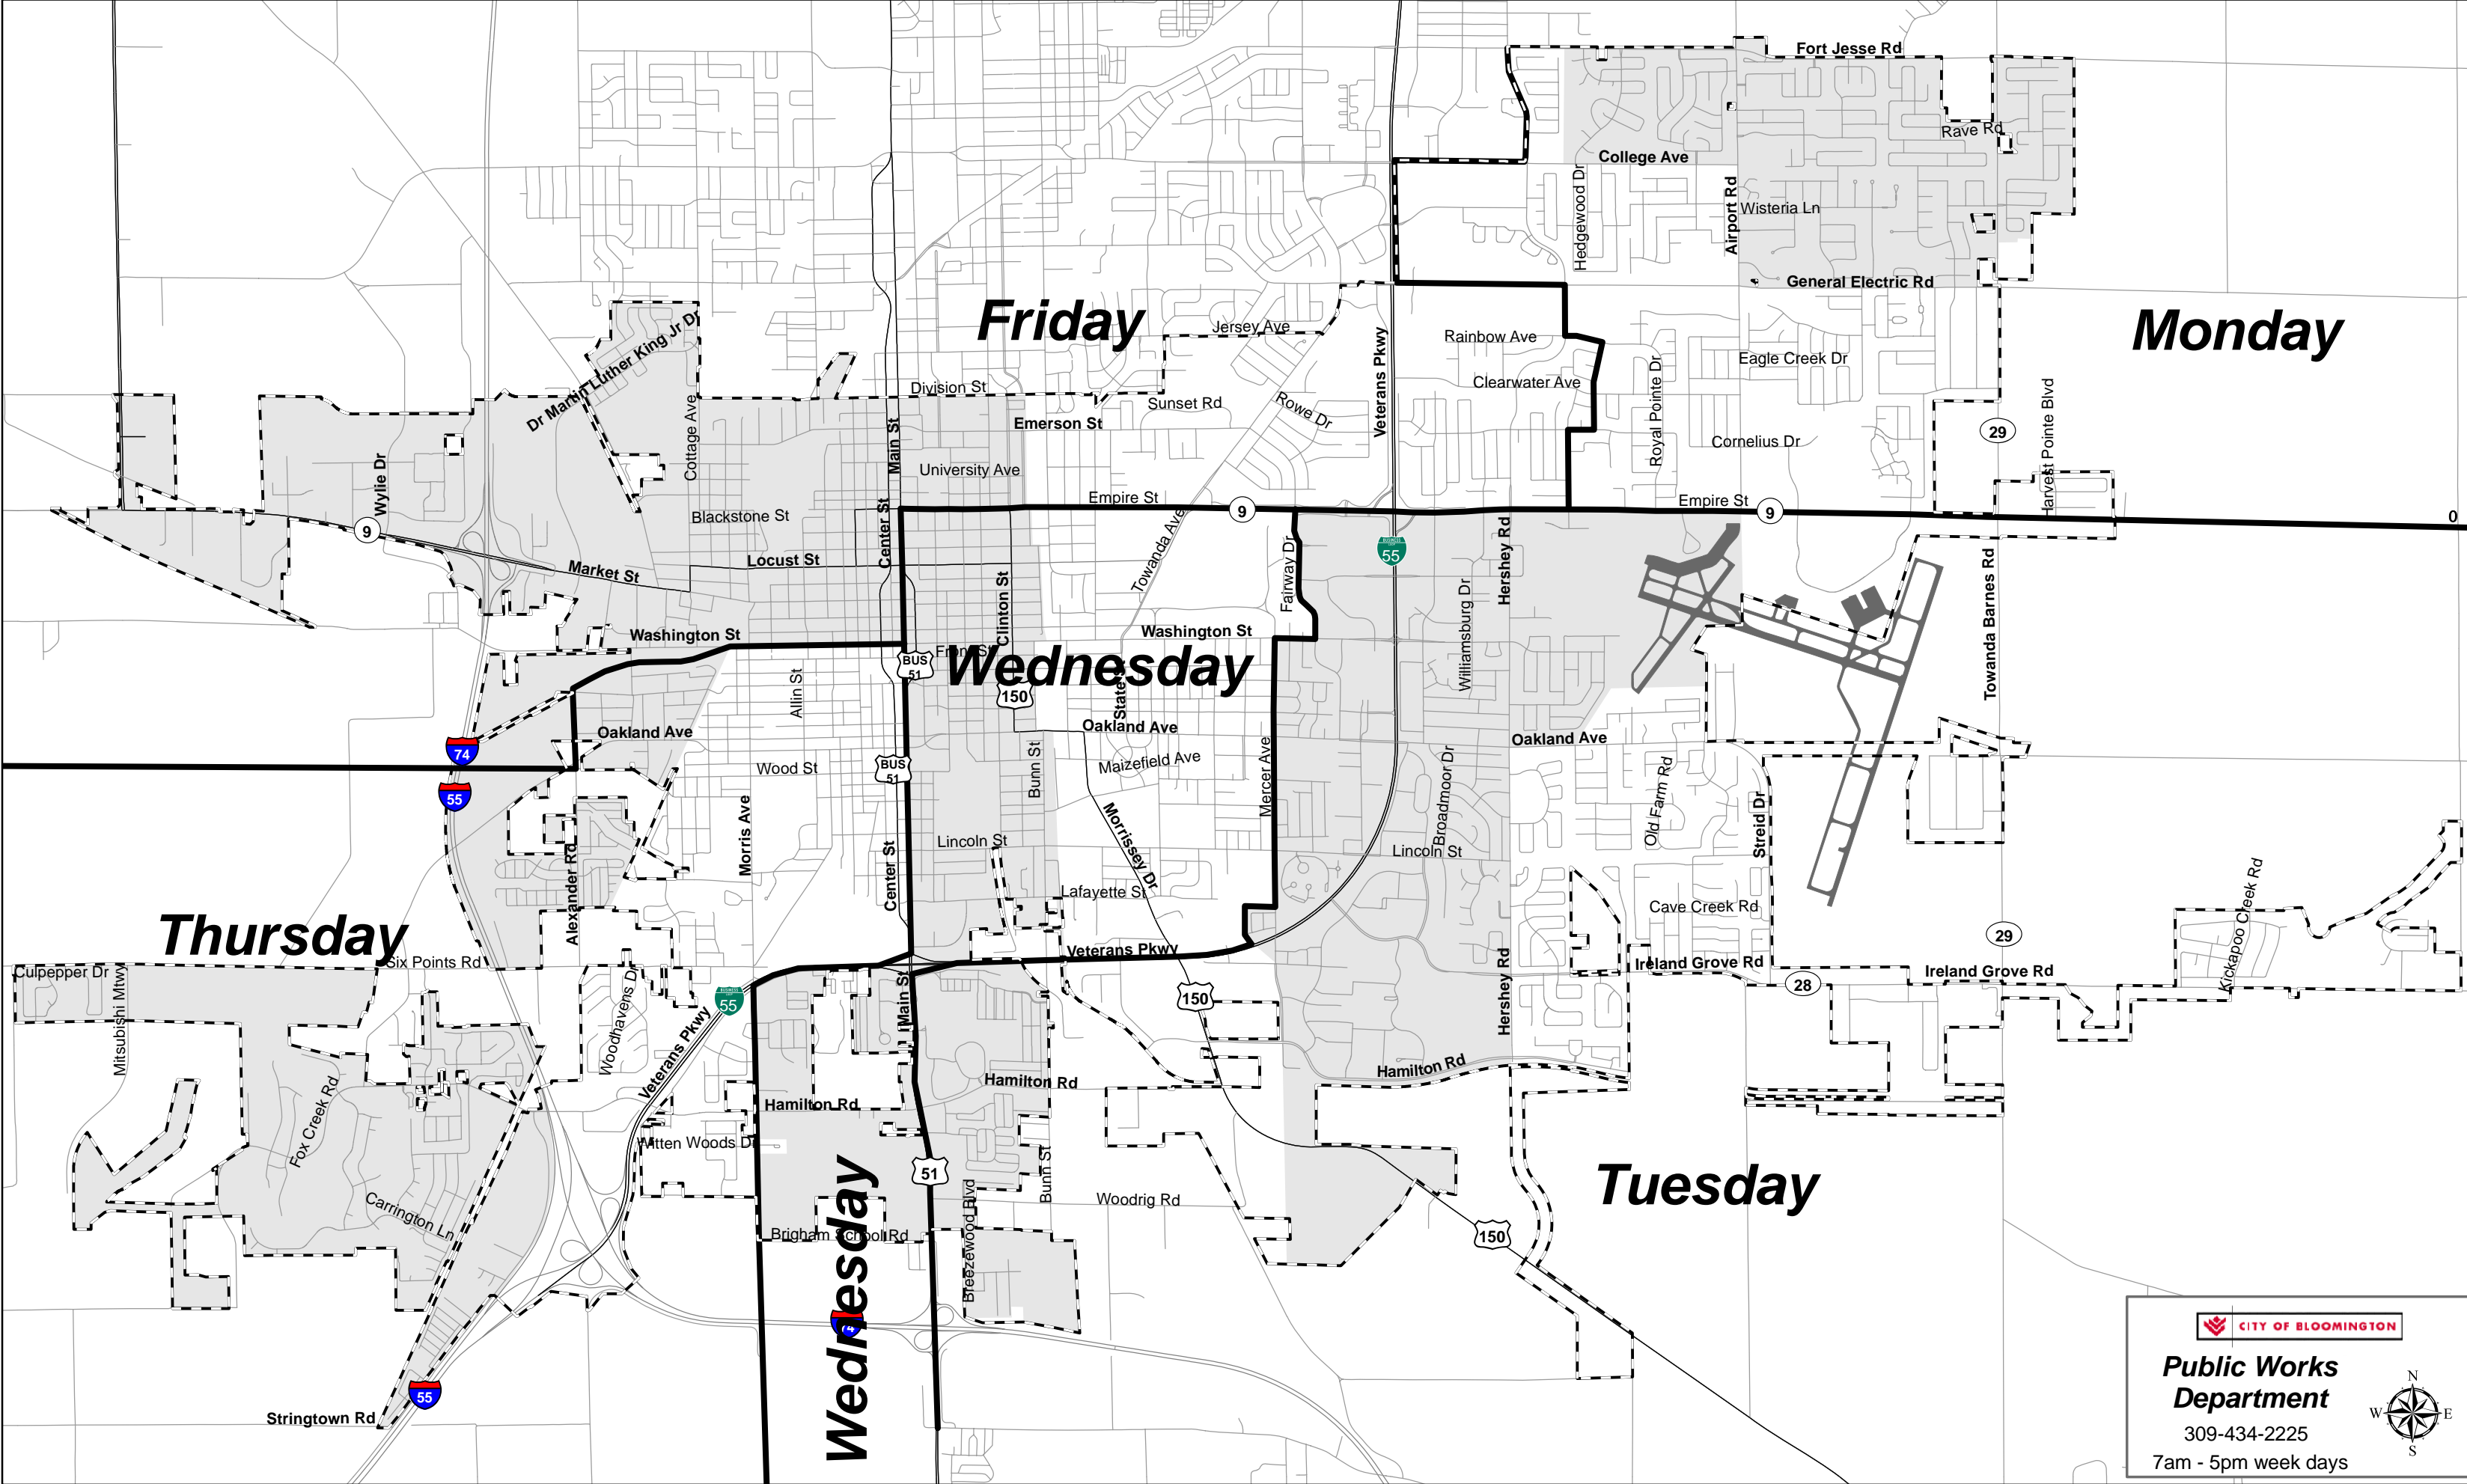

3) Determine if your residence is located in a shaded or unshaded area.

4) If the area in which you are located is shaded, your Recycle collection dates on the calendar are shaded. If your area is unshaded, your Recycle collection dates on the calendar are unshaded.

\* Recycle and garbage will not be collected on Christmas Eve, Friday, December 24, 2010. Recycle and garbage normally collected that day will be collected on Monday, December 27, 2010, along with the regular Monday collection.

Receipt of this brochure by condo/apt. complexes does not guarantee participation in recycle/garbage collection. Please contact the Public Service Department for specifics of participation.
