

Public Safety & Community Relations Board
Mt. Pisgah Baptist Church
801 W. Market St., Bloomington, IL 61701
Wednesday, April 10, 2019; 3:30 pm

1. Call to Order

The meeting was convened at 3:30 pm by Chairman Arthur Taylor.

2. Roll Call

Mr. Taylor called the roll. Member Woodard was absent. All other members present.

Staff present: Nora Dukowitz, Dan Donath, Clay Wheeler

3. Public Comment

Clay Wheeler gave brief comments regarding his retirement and thanking the Board.

4. Consideration of Approving Meeting Minutes

Member Rudolph amended the March 13 minutes to take out parts of Item 5 as some of the notes in that section appeared to be left over from a previous meeting. With that correction, Member Lancaster motioned to approve the minutes and Member Rudolph seconded. Motion passed unopposed.

5. Discussion of Complaints Received

There have been no new complaints received for PSCRB review. The BPD has two complaints so far this year, which is down from previous. Possible reasons as to why the number of complaints is down were discussed, such as weather and body worn cameras.

6. Discussion of BPD Complaint Review Process (follow-up from Quarterly Meeting)

Chairman Taylor introduced the topic by saying there had been questions as to whether an individual may have someone accompany them during an interview. AC Donath responded that the BPD policy had been revised recently to allow for this. Conversation regarding the BPD complaint process followed. Member Lancaster suggested bringing the information regarding the BPD process to a future Quarterly Meeting as a discussion item.

7. Discussion of Future Meeting Dates, Times, and Location

Due to scheduling conflicts, the May 8 Regular Meeting will be canceled and a Special Meeting held in its place on May 22, location TBD. Chairman Taylor will reach out to the YWCA as a possible location. Also due to scheduling conflicts, the June Regular and Quarterly meetings will be combined and held on June 12 at 6 pm at the WBRP office.

8. Adjourn (approximately 4:30 pm)

Member Fish made a motion to adjourn, seconded by Member Bosquez. Adjournment: 4:23 pm

Respectfully submitted,
Nora Dukowitz, Communication Manager
