

OCTOBER 1-14 FREE FALL BULK WASTE COLLECTION NOTICE

Public Works crews will be collecting bulk waste from October 1 through October 14 for the Free Fall Bulk Waste Collection. Public Works will collect bulk waste on regularly-scheduled brush pickup days to prevent large piles of bulk waste on the curb during the collection process. Please keep in mind that the volume of waste may delay pickup, but all bulk waste for the Free Fall Bulk Waste Collection must be placed at the curb by 6:00 a.m. on regularly-scheduled brush pickup days. Please keep bulk waste at the curb until it is collected. To view brush pickup days, visit www.recyclebn.org to use Recycle Coach online or download the Recycle Coach app from the Google Play Store or the App Store. The schedule is also shown on the map on the back of this page. Users will not be charged for any amount of household bulk waste placed at the curb by the deadline on their regularly-scheduled brush pickup day.

After the Free Fall Bulk Waste Collection is complete, Public Works will charge: \$25 per bucket (about 2.5 cubic yards) for household bulk waste and \$100 per bucket for sod, dirt, concrete, rocks and shingles. Next year's Free Spring Bulk Waste Collection will take place in May.

Visit the Citizen Convenience Center!

If you are not able to meet the deadline listed above, you may use the Citizen Convenience Center to drop off bulk waste, brush, or other acceptable materials at no additional charge. The Citizen Convenience Center is located at the corner of East Street and Jackson Street, south of the Bloomington Public Library. The address is 402 S. East Street, Bloomington, Illinois 61701. The hours of operation for the Citizen Convenience Center changed on March 18, and are listed below. The center will continue to be closed on Sundays and municipal holidays.
